ASKING FOR DIRECTIONS

Excuse me

Sorry to bother you

Can you help me?

Where is the toilet?

Where's the bathroom?

Where is the bus stop?

Where is the train station?

Where is the nearest shop?

Where is the nearest bank?

Where is the nearest ATM?

How do I get there?

How far is it?

is it far?

is it near?

is it walking distance?

Can I walk there?

Which way is it?

Left or right?

Straight ahead?

Around the corner?

Next to the shop?

Opposite the bank?

Near the park?

Past the traffic lights?

At the roundabout?

First left

Second right

Keep going straight

You can’t miss it

Thanks for your help!
